FREQUENTLY ASKED QUESTIONS

Are we allowed to bring in our own food?

Homemade foods are not permitted. You are welcome to choose from our list of approved catering vendors for your event.

Do you have any decor restrictions?

Glitter, confetti, Chinese lanterns, and sparklers are not allowed. Only flameless candles may be used on the Sycamore Creek property with one exception; open flame candles may be used on the concrete patio at Shiloh Ridge. No pushpins, nails, screws, staples, tacks, glue, other adhesive material, or chains may be used anywhere in the barn, on trees, on chairs, or in landscaped areas. Zip ties and twine are preferred methods of attaching decor. Command strips are not allowed on painted walls but may be used on barn-wood surfaces. Smoke effects, explosives, or pyrotechnics by applicant, applicant's vendors, or guests are not allowed.

How long do we get to be in the venue?

Private event rentals allow for 4 hours of access to the venue. Setup and clean up must take place within the rental time.

How many guests does your venue accommodate?

Sycamore Creek's venues can accommodate a variety of guest counts.

- The Heartwood Barn can host up to 200 people.
- The Gathering Place can accommodate up to 150 people.
- Shiloh Ridge can accommodate up to 100 people.

What do you require to book your venue?

Private event applicants must tour the venue before booking. Facetime tours are available upon request. Once a tour has been completed, a signed contract and nonrefundable save-the-date retainer payment are required to officially save your date.

FREQUENTLY ASKED QUESTIONS

What is your payment policy?

Approximately half of the venue rental fee (serving as your nonrefundable, nontransferable save-the-date retainer) will be due at the time of booking. The remainder of your venue rental fee, as well as any customization add-ons will be due 30 days before your event. A refundable security deposit will also be added to your final invoice.

What is your cancellation policy?

All save-the-date retainer payments are nontransferable and nonrefundable. If an event is canceled or postponed six or more months before the event date, a refund of the venue rental fee (if already paid) minus the save-the-date retainer will be given. If an event is canceled or postponed four months or less prior to the event date, the couple will forgo a refund and be responsible for paying the remainder of the venue rental fee.

What is the Sycamore Creek staff responsible for?

Sycamore Creek's venue management team will be on-site during the entirety of your event to handle venue-related tasks and issues. They will place your tables and chairs, restock the bathrooms, take trash to the dumpster, break down tables and chairs, and deep clean the venue at the end of the night. Event setup and tear-down is the responsibility of the applicant or their hired vendors.

Do we have to clean up at the end of the night?

Sycamore Creek clients are responsible for removing all personal items, decor, leftover food, additional event items, signage, and floral by the end of the rental time.

Are cars allowed to stay on site overnight?

All cars must be removed from the property by the end of the rental period. If any guests have been drinking and do not want to, or should not, drive back to their lodging accommodations at the end of the night, cars may be moved to the cul-de-sac outside of our front gate. This will allow guests to come back the following day to pick up their vehicle without a staff member needing to be present to unlock the front gate.

FREQUENTLY ASKED QUESTIONS

When can vendors arrive to set up?

Per your contract, vendors can begin arriving once your rental period has begun. They will also be responsible for removing any items by the end of your rental period.

Do you allow alcohol?

Beer, wine, champagne, and seltzers with a maximum of 6% alcohol content as well as up to 3 mixed drinks with hard liquor are permitted if Sycamore Creek requirements are met. All alcohol must be purchased and dispensed through one of our approved bartending services. Tailgating, kegs, doubles, shots, and 100-proof alcohol are not permitted.
