## HEARTWOOD BARN

Utilizing time-honored craftsmanship, this climate-controlled masterpiece boasts 30-foot ceilings, a stained concrete floor, an expansive covered back porch, and massive hand-carved beams joined with mortise and tenon joinery. Custom techniques provide the rich character of a building that's been standing for many years. Opening to picturesque views of rolling pasture with a breathtaking outdoor ceremony location at the grand sycamore tree, the peaceful ambiance and timeless beauty of this venue will heighten the romance of your wedding day experience.

Accommodates up to 300.

## SYCAMORE TREE CEREMONY SITE

Nestled just behind the Heartwood Barn, our Sycamore Tree stands tall, providing you with a stunning natural background (and shade) for your wedding ceremony. At over 250 years old, this Sycamore is actually two trees that have grown into one—the perfect backdrop as you become one in marriage. Seating available for up to 300. Power access available at the ceremony site.

## SHILOH RIDGE

Surrounded by the timeless beauty of nature, our Amish-built timber frame pavilion, expansive patio, lush lawn, and indoor amenities provide extraordinary spaces to gather. Enjoy using this space as a bridal cottage for day-of hair and makeup, a comfortable space for family members to congregate during the wedding day, or use as prep space for the guys on wedding day. Bring in breakfast or lunch for your wedding party to enjoy on the open-air patio or use as an optional space for cocktail hour. Shiloh Ridge can be used as a ceremony and reception location as well as a place to host your rehearsal dinner and farewell brunch.

## THE GATHERING PLACE

Complete with a small stage area for bands and DJs, sound system with playlist capabilities, picnic tables, restrooms, vintage string lights, community lawn games, and fire pit, The Gathering Place is the ideal setting for welcome parties and rehearsal dinners-and as a space for the groom and his guys to hang out and relax on wedding day. Enjoy access to cornhole, pickleball court, bocce ball court, shuffleboard, ladders, washers, horseshoes, farm-style frisbee golf, and more. The Ranch Rider Super Slide is available for an additional \$300 charge.

The Sycamore Creek Pizza Co. Wood-Fired Food Truck is also housed in this unique and intimate location. Inquire for food truck availability and pricing.

## SHILOH RIDGE HONEYMOON SUITE

Our honeymoon suite is the perfect spot to relax and rest after a full day of wedding celebrations.

Soak in panoramic lake views from your private deck, indulge in the comfort of a king-sized bed with luxury bedding, relax in front of an indigenous natural stone fireplace, refresh in the spa shower, prepare healthy meals in the suite's farmhouse kitchen and dine/enjoy coffee in the breakfast nook.

## BARNYARD BUNGALOW

Sycamore Creek's very own tiny house serves as the most charming spot to relax and unwind after a long day of wedding preparations and celebrations. Complete with a kitchen, bathroom, and king-sized bed in the loft, the Barnyard Bungalow provides guests with a true farm experience. Located just feet from our very own barnyard, wake up and gather farm fresh eggs or take a stroll to say hello to our farm animals.

## CONESTOGA WAGONS

Take a trip back to a time when people with grit chased their dreams in an untamed land. Reminiscent of the covered wagons the pioneers used to adventure west in the 1800's, our conestoga glamping wagons are outfitted with modern amenities like full bathrooms, electricity, heat, air-conditioning, and luxury bedding. We've circled the wagons on a ridge top where multiple trails lead to waterfront locations for fishing. Hiking and biking trails meander through wooded areas, rolling pasture, and over a mile of Taneycomo lakefront. At night, wind down the day gazing at the stars around the campfire as you listen to the sounds of owls hooting, coyote howling in the distance, crickets chirping, and frogs croaking in harmony.

# FREQUENTLY ASKED QUESTIONS

## Are we allowed to bring in our own food?

Homemade foods are not permitted. You are welcome to choose from our list of approved catering vendors for your event.

## Are we required to have a wedding coordinator?

A designated day-of coordinator is required for all Sycamore Creek wedding couples. We highly recommend hiring a professional coordinator to fill this role. A day-of coordinator creates a wedding day timeline, oversees decor setup and clean-up, keeps things running on time, ensures wedding party members are in place, and acts as the point of contact for Sycamore Creek staff if questions or issues arise on wedding day. Our policy is not to go to the bride or her mother with any questions or issues on the day of the wedding so that they are able to enjoy the day and soak in every moment without distraction.

## Do we get to have a rehearsal at the wedding venue?

A one-hour walk-through rehearsal at your ceremony site is included in all packages (excludes the elopement and micro-wedding packages), but is dependent on Sycamore Creek's calendar availability. You may contact us 30 days prior to your wedding date to inquire about venue availability for your rehearsal. Rent-the-Weekend packages include a guaranteed rehearsal.

## Do you have any decor restrictions?

- Glitter, confetti, Chinese lanterns, and sparklers are not permitted. (Cold sparks are allowed only if they are purchased/booked through Elevate Entertainment.)
- Only flameless candles may be used on the Sycamore Creek property with one exception. Real candles may be used on the concrete patio at the Shiloh Ridge venue.
- No pushpins, nails, screws, staples, tacks, glue, other adhesive material, or chains may be used anywhere in the barn, on trees, on chairs, or in landscaped areas. Zip ties and twine are preferred methods of attaching decor.
- Command strips are not allowed on painted walls but may be used on barn-wood surfaces.
- Smoke effects, explosives, or pyrotechnics by applicant, applicant's vendors, or guests are not allowed. Fireworks are allowed only when purchased through Sycamore Creek and utilize Sycamore Creek's approved fireworks vendor.

## Do you have a backup plan if there is bad weather?

Yes. All of our venue locations have sheltered facilities in the event of inclement weather.

# FREQUENTLY ASKED QUESTIONS

## How long do we get to be in the venue?

Rental time varies based upon which package has been booked and which day of the week your wedding falls on. Please note that your event setup and cleanup must be completed during the designated rental time. Exceeding the rental time will result in additional hourly fees.

## How many guests does your venue accommodate?

- A standard one-day wedding at the Heartwood Barn can accommodate up to 300 people.
  - A Shiloh Ridge one-day wedding can accommodate up to 100 guests.
  - Lakeview Ceremony/Heartwood Barn Reception up to 160 guests.
    - Elopements can host up to 25 people.

## What do you require to book your venue?

All couples must tour the venue before booking. Once a tour has been completed, a signed contract and nonrefundable save-the-date retainer are required to officially save your date.

## What is your payment policy?

Approximately half of the venue rental fee (serving as your nonrefundable, non-transferable save-the-date retainer) will be due at the time of booking. The remainder of your venue rental fee, as well as any add-ons will be due 30 days before your event. Sycamore Creek accepts checks, money orders, cashier's checks, and credit cards with a 3.5% processing fee.

## What is your cancellation policy?

All save-the-date retainer payments are nontransferable and nonrefundable. If a wedding is canceled or postponed six or more months before the event date, a refund of the venue rental fee (if already paid) minus the save-the-date retainer will be given. If an event is canceled or postponed four months or less prior to the event date, the couple will forgo a refund and will be responsible for paying the remainder of the venue rental fee as it will be impossible at that point in time for us to rebook the date with another client.

# FREQUENTLY ASKED QUESTIONS

## Do you allow alcohol?

Beer, wine, champagne, and seltzers with a maximum of 6% alcohol content as well as up to 3 mixed drinks with hard liquor are permitted if Sycamore Creek requirements are met. All alcohol must be purchased and dispensed through one of our approved bartending services. Tailgating, kegs, doubles, shots, and 100-proof alcohol are not permitted.

## What is the Sycamore Creek staff responsible for?

Sycamore Creek's venue management team will be on-site during the entirety of your event to handle venue-related tasks and issues. They will place your tables and chairs, restock the bathrooms, take trash to the dumpster, break down tables and chairs, and deep clean the venue at the end of the night. Event staff will also help with bussing tables in conjunction with our approved catering vendors. Event setup and tear-down is the responsibility of the wedding client or their hired vendors.

## Do we have to clean up at the end of the night?

Sycamore Creek clients are responsible for removing all personal items, decor, leftover food, additional event items, signage, and floral by the end of the rental time.

## Are cars allowed to stay onsite overnight?

All vehicles must be removed from the property by the end of the rental period.

## When can vendors arrive to set up?

Per your contract, vendors can begin arriving once your rental period has begun. They will also be responsible for removing any items by the end of your rental period.
